

UK KNABSTRUPPER ASSOCIATION

HORSE PARENTAGE TEST PRICE SCHEDULE 2008

The UK Knabstrupper Association offers a **DNA Parentage Report** service to all Knabstrupper owners in the UK (including non UKA members) via the Labs. at Newmarket, Suffolk, which is acceptable to all Breed Societies. Parentage reports are typically produced within 2 days to 2 weeks - dependent upon time of year.

UKA Members:

First Horse:	£40.00 each
(£35.00 plus £5.00 administration charge for first horse).	
Other Horses at the same time:	£37.50 each
(£35.00 plus £2.50 administration charge for each additional horse submitted at the same time).	

Non UKA Members:

First Horse:	£45.00 each
(£35.00 plus £10.00 administration charge for first horse).	
Other Horses at the same time:	£42.50 each
(£35.00 plus £7.50 administration charge for each additional horse submitted at the same time).	

The UK Knabstrupper association posts all DNA Samples and Reports by UK Recorded Delivery
