<p>Please complete as much information as possible which will help to speed up processing of the dna test. Once acceptable samples and information are received by the labs, the normal turnaround time is approximately 2-3 weeks but can be faster or slower dependent upon workload and time of year (ie holidays etc). Once completed please send this form back to us asap and an envelope will be sent out to you for collection of the dna sample (usually mane hair) from the dam and foal (and if no stallion dna already registered for the stallion as well if available). These should be returned to the UKA and will be sent on to the Newmarket labs. by 1<sup>st</sup> class recorded delivery post. The Labs. will issue an invoice to the UKA for direct payment</p>
